## Last Wholesale Bulletin for Spring 1930

NOVELTIES                      NOVELTIES                      NOVELTIES

We have always been specializing in BETTER NOVELTIES and following are some very choice varieties, which will mean a big profit to handle, and a reputation of being up-to-date and modern in presenting to your customers NEW BETTER PLANTS while they are new. As we have propagated the following varieties very heavy, we quote these low prices:

New Moerheimi Blue Spruce Grafts from 2½  
inch pots ..... \$75.00 per 100

Kosters Blue Spruce Grafts from 2½ inch  
pots . . . . . \$65.00 per 100

Kolkwitzia Amabilis (New Beauty Bush). Now  
in rushing demand. Very strong plants  
from 2 inch pots..... \$9 per 100; \$85 per 1000

New Red Leaved Barberry. The real blood-red  
strain; cutting rooted last summer, and pot-  
ted in January. Strong plants from 2 inch  
pots ..... \$10 per 100; \$90 per 1000

New Gypsophylla Bristol Fairy and Ehrle. Both  
wonderful improvements over the old double  
variety. Exceptionally strong plants \$20 per 100

New Buddleia Alternifolia. This is the hardiest  
Butterfly Bush yet introduced, and came to  
us from China. It does not freeze down like  
other Buddleias. Very distinct and a charm-  
ing sight while in bloom, with its long arch-  
ing or pendulous branches covered with  
clusters of lilac-purple flowers from mid-  
summer until fall. Strong plants from 2  
inch pots..... \$10 per 100; \$90 per 1000

**New Korean Chrysanthemum.** We have long been waiting for this iron hardy Chrysanthemum to give us blossoms from October to December. It has large, daisy-like white flowers with golden center, often turning to a light claret pink. Plan to include this hardy plant in your selection; it will bring profitable and increasing sale and satisfaction. Very strong plants from 2 inch pots.....  
\$10.00 per 100; \$90.00 per 1000

**Cotula Squalida.** This is a splendid rock garden plant, especially adapted for stepping path. When a few years old it makes the most perfect smooth, soft carpet, several inches thick, with brownish-red foliage. The stock plants were imported last Spring under special permit. Strong plants from beds for July delivery.... \$17.50 per 10; \$150.00 per 100

**Trailing Arbutus (Epigaea Repens) and Winter-green (Gaultheria Procumbens).** Large collected clumps..\$10.00 per 100; \$75.00 per 1000

**Hydrangea P. G.** We have about 250 large bushy plants, 2-4' which we will close out at \$15.00 per 100.

**Prunus Myrabellanna.** 4 years old, 2-4' cut back and very bushy plants suitable for large hedges, where immediate effect is desired. The 500 plants we have in surplus, we will close out at \$18.00 per 100. Order a carload.

**Crab Schneiderkeri—4-5' at..... \$40.00 per 100**

**Coreopsis, Gaillardia, Sedum spectabilis, Sedum spuream and Shives.** Large field grown clumps at..... \$6.00 per 100; \$50.00 per 1000

The usual terms for the trade. We ship from 10 to 250 plants at the 100 rate, and from 250 up at the 1000 rate. Boxing at cost.
